

ANNOUNCEMENTS

Monday, May 11, 2026

- Congratulations to Sofiya and Lily who both made it to the quarter finals in school table tennis provincials on Saturday.
- This year's Aubcon was a huge success! This Saturday was a fun and eventful day of activities for our Cole Harbour Community. Threadz and Plato's Closet had a fun time with their pop-up stores, and are looking to come back next year. There was a professional/student combo orchestra this year that played popular movie theme songs! Mr. Sadler would like to thank his entire organizing committee for such a great job planning and running the event; as well as a big shout out for the students and teachers that attended with their families. This year's proceeds will go to the repair of the school's bleachers. Looking forward to next year's planning!
- Grade 12 students, if you are attending a post-secondary program next year and wish to be considered for **scholarships/bursaries by the Auburn Drive Scholarship committee**, please complete the Google form, link found in the Grad 2026 Google classroom, by **Tuesday May 19th , 2026**.
- Grade 12 students are invited to send in any scholarships they would like to have announced at the graduation ceremony. Please send your offer and proof of acceptance to msaunders@hrce.ca or drop them off in the main office.
- Grad fees of \$20 are now due. You can pay with cash in the main office or via the school cash link on our website.
- Any students that are taking an AP class next year, please meet in Room 108 tomorrow (Tuesday), at the beginning of lunch for a very brief meeting regarding an upcoming AP Conference. Again, that's Room 108 tomorrow at the start of lunch—we'll keep it quick so you can get back to your break!
- The lunch special today is Goulash.
