Auburn Drive High School Awards Criteria

At Auburn we know how important it is to value and celebrate our student success.

We use the following criteria when calculating averages for student recognition:

- Averages will be calculated using all courses the student was enrolled in for the current year using a straight average
- There is no minimum number of courses to be enrolled in to qualify for the mark distinctions

There are three categories of recognition (Honors, High Honors, and Principal's List)

Honors	High Honors	Principal's List
80% - 84.9%	85%- 89.9%	90% or above

Honors, High Honors, and Principal's List in will receive certificates with their 1st Semester Report Cards. Those on the list for Semester Two will receive their certificates with their report cards or with their diplomas at graduation.
